

# ADAMS STATE BANK

FALL 2023

Member FDIC

## Online Bill Pay

### Do you still send bills in the mail?

Skip the postage and save your checks by scheduling monthly payments by using Bill Pay!

Bill Pay is safe to use and free to all Adams State Bank customers who are currently using internet banking.

Easily manage your payments, schedule regular payments, and say goodbye to late fees.

Great for students who don't want to buy checks.

Pay doctor bills, monthly rent, daycare, and so much more.

Questions about Bill Pay, call Julie or Jenny at 988-2255

### New Debit Cards

If you have a debit card that will expire in September 2023 a new card has already been ordered.

These cards will arrive direct to your home address in a plain white envelope.

Follow the printed instructions when calling to activate your card.

Tip: Make sure you are calling from the phone number associated with your debit card.

Questions, please call us at 988-2255

Karl, Julie, and Jenny at our annual Kona Ice event which took place on Saturday, July 1st. We had a great turnout of customers and community members!

## Welcome our newest employee!

Next time you are at the bank, please make sure to say hello to our newest ASB employee, Louise!

Louise joined us in September and is spending her time assisting customers with teller transactions.

She is joining our stellar group of current tellers including, Mary, Kelly, & Lisa.

## Falcon Classic Sponsor

Adams State Bank was a proud sponsor of the 6th annual Falcon Classic. This year's scramble was hosted at Holmes Golf Course in Lincoln. With 26 teams participating it was a great day raising money for FHS.

## Plan ahead for tax season

This is a great time to begin collecting bank statements and organizing receipts, documents and other tax related information.

By signing up for paperless statements you can have direct access to the last 18 months of statements on your computer.

## When to update your Account Information

Chances are, something in your life has changed since you opened your first bank account. It is important to remember to update your bank account information and keep your info current. Below are a few reasons you may need to update your account.

- Adding a spouse and or removing a parent as an owner or authorized signer of the account
- Moving or updating your mailing address or physical address
- Adding new phone numbers or removing old phone numbers that no longer exist. This is especially important to receive fraud notifications.
- Providing a current email address for everybody listed on the account

Keeping your personal information current is a simple step you can take to ensure your accounts and transactions remain secure.

Need to update your information, please call us at 402-988-2255 or stop in anytime.

**Your child can have their own ASB internet banking username and password.**

**This allows your child to have direct access to *their* account information online, but does not give them access to see your account information.**

**For help setting up a student username/password please call 988-2255.**

**We are thrilled to assist our customers in any way we can. For the best customer experience, it is our recommendation to call ahead to ensure the correct person is available to help you while you are here.**
