The annual Memorial Day ceremony was cancelled this year due to COVID 19 restrictions, but the flags were still up and the graves were decorated.

Bank in School

Though the school year was cut short, the Freeman Falcons Bank in School Branch still had an exceptional year! Our customers who range from Kindergarten to 6th grade saved \$4,782.12 in just 16 weeks.

The 6th graders who participated were sent checks for the total amount they have saved while enrolled in Bank in School. We encourage those students to take their savings and open a checking or savings account and to continue their consistent, already established savings habits.

Congratulations to some of our “Super Savers” who made consistent deposits (almost perfect attendance) throughout the year: Kinley Bolyard, Harrison Rumsey, Noah Fricke, Carter Fricke, Elsie Bolyard, Brayden Floth, Kylie Schlake, Karlee Riha, Jayla Othmer, Jace Othmer, Neely Flesner, and Lexi Othmer.

There were a total of 313 deposits made. The 1st grade class made the most deposits totaling 75.

Adams State Bank committed to donating \$100 to the Freeman FBLA for every \$1500 that was saved this year. We are proud to donate \$300 to the Freeman FBLA.

Thank you to all involved in the Bank in School program for making this our best year ever!
