

FREEMAN FALCONS

BANK IN SCHOOL

Save Money • Earn Prizes • Build Great Habits!

WHAT IS BANK IN SCHOOL?

A fun way for Freeman students in grades K-6 to learn how to save!

Students can make regular deposits right at school, practice smart saving habits, and earn prizes as they reach savings goals and milestones.

1

BRING IT

Bring cash or coins on Bank in School mornings.

2

SAVE IT

Freeman FBLA students help you make your deposit.

3

WATCH IT GROW

Keep saving throughout elementary school!

EVERY DEPOSIT COUNTS!

Big or small, every deposit helps build the habit of saving. Money accumulates throughout a student's elementary years. After completing 6th grade, students receive the full amount they saved in a check from Adams State Bank.

DID YOU KNOW?

\$5,967.87

was saved last year

\$5,220.14

was the total career savings of our 6th graders last year

\$426.27

was the average total deposit each week last year

Freeman FBLA students serve as the tellers — a great learning experience for everyone!
