## New Cards, New Look, Better Capabilities —Same Bank you Know and Trust

Adams State Bank is so excited to roll out new cards to our customers.

As of September 1st, each new debit card that's issued will have Tap-to-Pay & the ability to upload your card to your Mobile Wallet.

Enhanced fraud alerts and protection are now being issued to customers via text, emails and phone calls. It is essential to make sure you have your phone number and email address up to date in our system.

## Tap, Pay and Go!

Enjoy secure, faster checkout with your new contactless debit card.

Now you can swipe, insert, tap or wave your card to make purchases.

### HOW TO USE THE NEW CONTACTLESS FEATURE:

**STEP 1**  
Look for the Contactless Symbol at checkout.

**STEP 2**  
Simply tap the terminal to make your payment.

**STEP 3**  
Once your payment is complete, you're good to go.

At terminals that are not contactless enabled, insert or swipe your EMV card as you would with your previous cards.

## Preventing Debit Card Fraud with Card Suite Lite

You're worried about debit card fraud and so are we. Regularly monitoring your account activity using our Adams State Bank mobile banking app is essential in your defense against fraud. In addition, downloading the Card Suite Lite app and linking your Adams State Bank debit card allows you even more control of your debit card usage. Receive instant usage alerts, freeze or unfreeze your card, and controlling where your card can be used are just a start. Link your kids' debit card to have the same access and control of their card.

### Control Your Card From Your Phone

- FREEZE/UNFREEZE YOUR CARD.
- RECEIVE ALERTS.
- REVIEW TRANSACTIONS.

## Helpful Tips and Reminders

- Adams State Bank and our fraud system SecureLOCK will communicate with customers using Text Messages, Emails, and Phone calls to verify suspicious debit card activity around the clock.
- If you ever need to report your own suspicious activity or report a lost or stolen card, you can call 888-263-3370 (number located on the back of your debit card). In these cases, it would be ideal for you to instantly freeze your card using your Card Suite Lite app in addition to calling.
- Adams State Bank and SecureLOCK will never ask for your Social Security Number or PIN number via text or email.
- It is of the upmost importance that you regularly update your personal contact information with us at Adams State Bank. This includes phone numbers and email addresses for any account holder 18 and older.
