Best of all, the app is FREE and available for download today!

Worried about Fraud? So are we!

Regularly monitoring your accounts is becoming essential in your defense against fraud. Adams State Bank and our fraud system SecureLOCK will communicate with customers using *Text Messages, Emails, and Phone calls* to verify suspicious debit card activity around the clock.

If you ever need to report your own suspicious activity or report a lost or stolen card, you can call 888-263-3370 (number located on the back of your debit card). In these cases, it would be ideal for you to instantly freeze your card using your **Card Suite Lite** app in addition to calling.

**Adams State Bank and SecureLOCK will never ask for your Social Security Number or PIN number via text or email*

Have a loved one leaving for college?

Banking doesn't have to be complicated just because you move away. There are a few easy things you can do to ensure you are able to conveniently use your checking account. First, make sure to update your contact information with us including phone numbers and email addresses.

Be sure to set up online banking which gives you free, around the clock access to our Adams State Bank mobile banking app. Use our mobile banking app to help track daily transactions, view account balances, deposit checks from you phone, pay bills using bill pay, and more.

Your Adams State Bank debit card can be used anywhere. Visit [Moneypass.com](https://www.moneypass.com) to see where you can use an ATM machine surcharge free anywhere nationwide.

Download the [Card Suite Lite](#) app to take control of your card: track your debit card transactions, automatically freeze or unfreeze your card, and more.
