SUMMER 2022

Member FDIC

Planning to travel this summer?

If your summer plans take you out of state or the country there are a few things you can do before leaving to ensure you'll have an enjoyable trip.

*Please notify ASB (402-988-2255) prior to your trip and tell us where you are going. Without proper notification, any foreign transactions on your debit card may be flagged as illegitimate and could be denied or limited.

*Download the free Moneypass App to your smart phone or visit Moneypass.com. Moneypass.com allows you to search any location *Nationwide* where you can find an ATM to use your Adams State Bank debit card surcharge free.

You don't want your vacation interrupted because you have to deal with a denied transaction or unwanted card fees. Plan ahead by completing these 2 easy steps and enjoy your travels.

We recommend saving the 2 numbers below for your convenience. Anytime you receive a phone call from either of these numbers, please answer!

Lost/Stolen Cards	833-337-6075	24/7 Support and after hour card blocking
Fraud Department.....	844-682-4502	Verifying fraudulent activity

Check out the new concession stand and public bathrooms at the Adams Park! Other notable improvements include the new parking lot with ADA parking on the east side of the park, ADA concrete sidewalks, new bleachers, and a new batting cage. Thanks to all involved in getting this project completed this summer.
